

Deal Registration Program Guidelines

The Incident IQ Deal Registration Program (“Program”) is available to all Incident IQ Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new Incident IQ sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and Incident IQ.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Earns 5% protected discount on eligible deal.
- All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by Incident IQ at any time.

Program Overview

Resellers can leverage their sales teams to register eligible Incident IQ sales opportunities through the Incident IQ Deal Registration Program. Eligible Incident IQ sales opportunities are defined as deals that are:

1. Must be an Authorized Reseller and in good standing with Incident IQ.
2. Not currently registered in the Incident IQ Deal Registration system.
3. Net new to the Incident IQ sales pipeline.
4. Have an incubation period of at least five business days.
5. Deal Registrations are good for 90 days and can be eligible for a 60 day extension.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Incident IQ MSRP if the deal is closed within program requirements. At each Reseller’s discretion, the discount may be extended in whole or in part to the endcustomer to help close the deal, or can be captured as additional margin. Incident IQ has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.
