Program Overview

Resellers can leverage their sales teams to register eligible PlayShifu sales opportunities through the PlayShifu Registration Program. Eligible PlayShifu sales opportunities are defined as deals that are:

1. Not currently registered in the PlayShifu Deal Registration system.
2. Net new to the PlayShifu sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 10% discount off Reseller unit cost if the deal is closed within 60 days. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal, or can be retained as additional margin. PlayShifu has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.
