

Deal Registration Program Guidelines

The Typesy Deal Registration Program (“Program”) is available to all Typesy Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new Typesy sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and Typesy.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Earn a possible 5% discount for approved deals.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by Typesy at any time.

Program Overview

Resellers can leverage their sales teams to register eligible Typesy sales opportunities through the Typesy Registration Program. Eligible Typesy sales opportunities are defined as deals that are:

1. Not currently registered in the Typesy Deal Registration system.
2. Net new to the Typesy sales pipeline.
3. Have an incubation period of at least ten (10) business days.
4. Deal Registration pricing may not be combined with any volume discounts.
5. Deal Registration must be renewed after 45 days of initial application to be valid.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Reseller unit cost if the deal is closed within 90 days. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal, or can be retained as additional margin. Typesy has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.
