- Enhances the profitability of the Reseller.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by PowerGistics at any time.

Program Overview

Resellers can leverage their sales teams to register eligible PowerGistics sales opportunities through the PowerGistics Registration Program. Eligible PowerGistics sales opportunities are defined as deals that are:

1. Not currently registered in the PowerGistics Deal Registration system.
2. Net new to the PowerGistics sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Reseller unit cost if the deal is closed within 90 days. At each Reseller's discretion, the discount may be extended in whole or in part to the end-customer to help close the deal or can be retained as additional margin. PowerGistics has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and

processing orders for approved registered deals.

PowerGistics reserves the right to negotiate directly with the end user on any opportunity with an expected purchase order by the end user that will be over \$100,000 in PowerGistics products. If PowerGistics sets the price a margin will be worked out with distribution and the reseller as a part of the large order.
