

Deal Registration Program Guidelines

The MobileMind Deal Registration Program (“Program”) is available to all MobileMind Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new MobileMind sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and MobileMind.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Possibly earn 5% protected discount.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by MobileMind at any time.

Program Overview

Resellers can leverage their sales teams to register eligible MobileMind sales opportunities through the MobileMind Deal Registration Program. Eligible MobileMind sales opportunities are defined as deals that are:

1. Not currently registered in the MobileMind Deal Registration system.
2. Net new to the MobileMind sales pipeline.
3. Have an incubation period of at least ten (10) business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a possible 4% or more discount off Reseller unit cost if the deal is closed within program requirements. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal, or can be captured as additional margin. MobileMind has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.
