

The KLIK Deal Registration Program (“Program”) is available to all KLIK Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new KLIK sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and KLIK.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- When a deal registration is approved, Resellers are eligible for a 5% discount from their cost for unit sales of 5 or more units of the KLIKBooks HUB.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by KLIK at any time.

Program Overview

Resellers can leverage their sales teams to register eligible KLIK sales opportunities through the KLIK Registration Program. Eligible KLIK sales opportunities are defined as deals that are:

1. Not currently registered in the KLIK Deal Registration system.
2. Net new to KLIK’s sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Reseller unit cost if the deal is closed within 60 days. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal, or can be retained as additional margin. KLIK has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.
