

Deal Registration Program Guidelines

The Go-Box Deal Registration Program (“Program”) is available to all Go-Box Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new Go-Box sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and Go-Box.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- When a deal registration is approved, Resellers are eligible for a 5% discount from their cost for unit sales of 3 or more on a single PO.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by Go-Box at any time.

Program Overview

Resellers can leverage their sales teams to register eligible Go-Box sales opportunities through the Go-Box Registration Program. Eligible Go-Box sales opportunities are defined as deals that are:

1. Not currently registered in the Go-Box Deal Registration system.
2. Net new to the Go-Box sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Reseller unit cost if the deal is closed within 30 days of approval notification. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal or can be captured as additional margin. Go-Box has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.

Opportunity Eligibility Requirements

1. Reseller must be Go-Box Authorized to qualify for the Program.
2. Registered opportunities must identify the specific sales opportunity within the institution or organization, including the department that will deploy the Go-Box solution and provide the contact information of the decision maker at the institution.
