

## Deal Registration Program Guidelines

---

The Twelve South Deal Registration Program (“Program”) is available to all Twelve South Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new Twelve South sales opportunities.

### Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and Twelve South.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Minimum 50 units per program.
- 10% discount

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by Twelve South at any time.

### Program Overview

Resellers can leverage their sales teams to register eligible Twelve South sales opportunities through the Twelve South Registration Program. Eligible Twelve South sales opportunities are defined as deals that are:

1. Not currently registered in the Twelve South Deal Registration system.
2. Net new to the Twelve South sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 10% discount off Reseller unit cost if the deal is closed within 90 days. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal, or can be retained as additional margin. Twelve South has authorized The Douglas Stewart Company to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.

### Opportunity Eligibility Requirements

- Registered opportunities must identify the specific sales opportunity within the institution or organization, including the department that will deploy the Twelve South solution and provide the contact information of the decision maker at the institution.
