

Wacom®

Cintiq Pro

Create directly on screen with our most natural pen experience

The Wacom Cintiq Pro 32 and 24 are advanced creative pen displays. Combined with Wacom Pro Pen 2, they offer an experience designed to enhance every creative breakthrough.

Featured artist: David McLeod

A display that looks – and feels – totally natural

The etched glass screen provides a distinct, tactile experience as you draw, mimicking the feel of a pen on paper while reducing unwanted glare and reflections.

The display offers realistic color accuracy of up to 99% Adobe RGB, plus, at 4K resolution, you can see every detail of your creation in pinpoint accuracy.

Wacom Pro Pen 2: natural and precise

Our state-of-the-art creative pen technology. 8,192 levels of pressure sensitivity and unparalleled tilt recognition means that every stroke, every move of your hand is followed with unerring accuracy.

Key features

- Includes Wacom Pro Pen 2
- Premium 4K screens, complete with world class color performance of up to 99% Adobe RGB.
- Multi-touch gestures* the on-screen keypad, radial menus and the ExpressKey™ Remote offer a more intuitive experience.
- Built-in legs raise your Wacom Cintiq Pro from 5° to 20°.
- The optional Wacom Ergo Stand lets you raise, tilt and rotate your Cintiq Pro to find the most natural position for you.
- Compatible with Mac and Windows.
