

BAMBOO™

Fineline 2

Product description

The Bamboo™ Fineline 2 is a smart stylus that allows you to precisely capture your ideas on your iPad.

Thanks to its pressure-sensitivity and fine tip, the Bamboo Fineline 2 provides a natural stylus-on-screen experience for a fluid performance. Pair the Fineline 2 with leading note taking apps for more benefits, including selecting handedness and customizing the button.

Key features

- Precisely capture your ideas on your iPad
- Fine tip designed for note-taking
- Pressure sensitivity for fluid performance
- Works with leading note-taking apps including Bamboo™ Paper
- Go from idea to cloud to life with Wacom Cloud and WILL universal ink

Target group

We are targeting current and potential iPad owners looking to leverage their tablets for creation and productivity. Customers include early adopters who work to incorporate the latest tech into their lifestyles and more casual users who can replace day-to-day pen-to-paper activities with a Bamboo Fineline 2 and their iPad. Both groups rely on an authentic handwriting experience delivered on their digital device and apps. They need the power of Bamboo Fineline 2's precision, portability and price point.
