- Smoothly tap, write, draw on touchscreens
- Carbon fiber tip (replaceable)
- Ergonomic triangular design

for a creative world™

Retail Product Description

Navigate and write smoothly on touchscreens

Bamboo Solo is an essential stylus that enables you to smoothly tap, write and draw on your tablet, smartphone or PC touchscreen. Its replaceable carbon fiber tip lets you navigate and write smoothly on your tablet, smartphone or PC touchscreen.

New design for a new experience

The new ergonomic, perfectly balanced triangular design and new soft-touch surface provide for a comfortable in-hand feel and authentic pen-like experience.

High quality for lasting durability

For smooth performance and lasting durability Bamboo Solo is made of high-quality materials. Secure the stylus safely to your pocket, purse or on your tablet cover with the optimized clip.

Store, shape and share your ideas

Bamboo Solo is compatible with iOS, Android and Windows touchscreen devices. Download the Bamboo Paper app for easy note-taking and sketching. The Inkspace service easily lets you store, shape and share your ideas.
