### LONG DESCRIPTION

Built to help your business stand out from the competition, Adobe Creative Cloud for teams gives your organization access to the world's best creative apps and services in a single, secure, integrated platform. Fuel your team's creativity by empowering them to design incredible content for virtually any medium. Enhance their productivity with tools that streamline workflows, foster collaboration, and improve brand consistency. Make it easy for them to find the right talent for your growing team, the best creative assets for their projects, and intuitive ways to build their skills. Plus, count on simplified license management, budget predictability, and total control over your software and creative assets to help your team stay focused on creating great work.

## FEATURES AND BENEFITS

- **NEW & ENHANCED Create for virtually any medium with 20+ apps.**  
Design the highest-quality work for print, web, video, mobile, voice, and immersive media using the latest versions of the Creative Cloud apps. Use the faster, smarter Adobe Photoshop which includes AI-powered features to quickly color a scene, combine multiple landscapes, or change someone's expression, age or pose. Instantly repeat objects, create mirror images, or repeat artwork in a radial or grid pattern in Adobe Illustrator. Turn dialogue into captions the easy way, with automatic transcriptions and subtitling in Adobe Premiere Pro.
- **NEW & ENHANCED Discover easy ways to work better together.**  
Share a link to your Photoshop, Illustrator, and Adobe Fresco cloud documents—anyone can view and comment via the web, no need for a paid Creative Cloud membership. Easily view the version history of a cloud document or Creative Cloud file and restore previous versions for up to 180 days. Invite collaborators to contribute to your creative work right from favorite apps like Photoshop, Illustrator, and Fresco.\* Get 1TB of storage per user with the option to pool storage for the whole team for greater flexibility. And work more productively with the apps you use every day thanks to integration with Microsoft Teams, Slack, and other key business tools.
- **NEW & ENHANCED Maintain brand consistency.**  
Help ensure a consistent look and feel across all your business assets. Share colors, images, and other elements of your creative system, and control editing across apps and devices using *team* Creative Cloud Libraries. Team libraries are automatically available to everyone within your organization, ensuring everyone always has access to the latest, most up-to-date assets. They're available inside your Creative Cloud apps as well as Microsoft Word, PowerPoint, Gmail, and Google Workspace. Use the API to fully integrate Libraries into your design workflows and get flexible access to your creative elements and designs.
- **NEW & ENHANCED Control your company's assets.**  
Enjoy peace of mind knowing that your creative assets and Libraries stay with the business when your team lineup changes.

- **Get the assets, resources, and help you need.**

Find fonts, colors, templates, and creative assets using Adobe Fonts, Adobe Color, and Adobe Stock.<sup>†</sup> Discover creative inspiration on Behance and learn new techniques using interactive tutorials. Get advanced technical support plus 1:1 Expert Services sessions to help your team master new creative skills and workflows. Build a best-in-class creative team with the integrated Adobe Talent job posting service. And access help content online anytime or, during business hours, call a dedicated support line with local-language assistance.

- **Simplify license management.**

The web-based Admin Console enables IT to add or reassign licenses anytime with just a few clicks. Billing catches up at your next payment cycle. Deploy apps and updates your way—either handle them centrally or let team members self-install as needed. Either way, they can start downloading and using apps immediately.

- **Unlock savings.**

Get budget predictability and lower up-front costs with an annual VIP membership that gives you access to Adobe's creative desktop apps plus exclusive feature updates at no additional cost. Choose your own subscription anniversary date to align with your organization's budget cycle. Enjoy volume discounts for 10 seats or more with Adobe Value Incentive Plan (VIP).
