

# Adobe Acrobat Perpetual Migration Promotion

Help your customers move from old perpetual licensing to Acrobat DC

Help your customers go paperless by digitizing old, paper-based processes to save a lot of time and money. Show your customers why moving to the power of Acrobat DC is the best choice.

## Right now:

### Acrobat Perpetual Migration Promotion

Current CLP and TLP customers can receive up to 50% off Acrobat VIP licenses

- Minimum purchase of 10+ Acrobat VIP licenses
- Can purchase Teams or Enterprise Licenses
- Proof of past CLP/TLP purchase is required
- Email the Adobe Licensing team at [adobelicensing@dstewart.com](mailto:adobelicensing@dstewart.com) and include perpetual purchase information to receive a quote

## Advantages of going with Adobe Acrobat VIP:

### Keep everyone connected and secure

Get access to Acrobat files and tools from anywhere and different devices, whether it is desktop, web, or mobile. With advanced document security, make sure your customers' documents are secure and protected.

### Integrate Acrobat with existing platforms

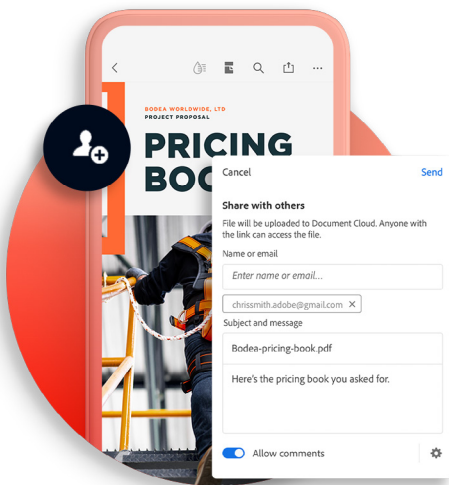

Add Acrobat and PDF tools to platforms already used every day. Create PDFs directly from Microsoft apps and collaborate with teams using Microsoft and Acrobat.

### Encourage and empower collaboration

Share and send PDF files for various teams to review and receive feedback—all from one place. People on the team can access the PDF from any device—no need for them to install Acrobat or sign in.

### Eliminate waste from paper usage

Instead of spending valuable time printing, scanning, and sending paper documents, your customers can use digital workflows in Acrobat. Acrobat lets them gather feedback digitally with ease.
