

Go back to school with Adobe Document Cloud

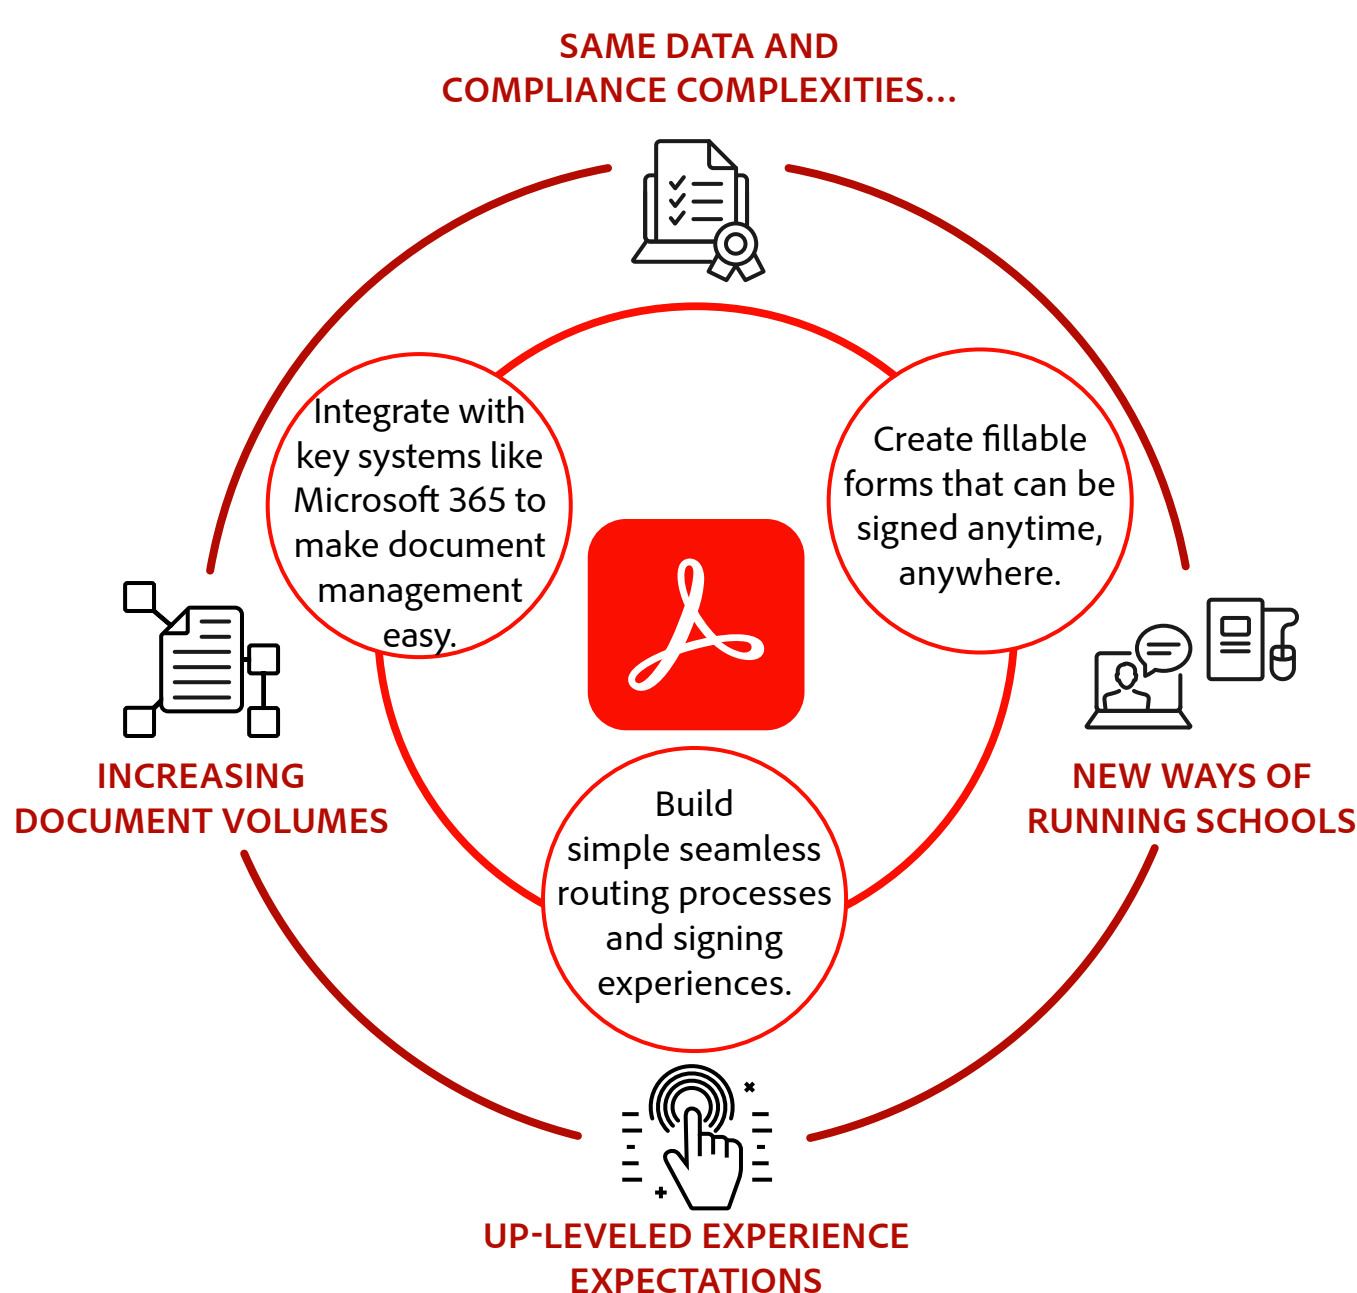

As school turned remote, educators across the country came to rely on digital technologies: learning management systems, video conferencing, digital worksheets and forms, and e-signatures.

When schools return to in person or hybrid models of teaching and learning this fall, these same technologies will be equally crucial for managing the transition.

GOING PAPERLESS MATTERS NOW, MORE THAN EVER.

THRIVE IN THIS NEW WORLD WITH ADOBE ACROBAT AND ADOBE SIGN

GET STARTED

1

Organize and bundle key forms for staff, partners, and students/parents.

Staff onboarding
Vendor onboarding
COVID-19/health tracking

K-12: Technical policies, IEPs
Higher Education: Housing,
course management

2

Use [Adobe Scan](#) and [Adobe Acrobat](#) to scan/digitize paper forms to ensure they're easily accessible from any device.

3

Use [Adobe Sign](#) to introduce a seamless process for routing, signing, tracking, and securing your forms.

4

Get ready to spend less time on administrative tasks and more time supporting student needs.

[Learn how](#) you can use COVID-19 relief funding to help fund the cost of going [paperless](#).

[Get in touch](#) with the Adobe Document Cloud team to find out how we can help you go [paperless](#).
