

PARTYBOX CLUB 120

Portable party speaker

Pure party energy

The JBL PartyBox Club 120 turns any space to party, and vibe. Powerful JBL Pro Sound fills the air while an entrancing lightshow of starry lights, cool light trails, and strobe effects syncs to your beat. Instantly pair any Bluetooth device and stream your favorite party playlist, or use the mic and guitar inputs to share your own sound. Either way, you can steer the party's flow with fun interactive party effects using the JBL PartyBox app. A folding ergonomic handle makes the PartyBox Club 120 easy to take with you anywhere, and the splash-proof construction means it won't be troubled by a little rain. It delivers up to 12 hours of playtime—and if the party's still flowing by then, just swap out the replaceable battery and keep the music and lights going strong. For an even bigger time, stereo pair two JBL PartyBox Club 120s for a wider soundstage, or use the JBL PartyBox app to connect multiple JBL Aunacast-enabled speakers wirelessly. Roll up to the party with the JBL PartyBox Club 120.

Features and Benefits

Powerful JBL Pro Sound

Rock out to powerful JBL Pro Sound that delivers clear, dynamic sounds and deeper bass even at top volume.

Futuristic lightshow

Pair that amazing sound with a thrilling futuristic lightshow featuring starry lights, cool light trails, and strobe light effects, all synced to your beat.

Up to 12 hours of play time

Dance from noon to midnight with up to 12 hours of play time, on a single charge. And if you're just getting warmed up, simply swap out the replaceable battery* and keep going. Plus, 10 minutes fast change gets you an extra 80 minutes of playtime. *Replaceable battery sold separately

Foldable handle

A folding handle makes the PartyBox Club 120 easy to take with you anywhere. The speaker's ergonomic body is designed with even weight distribution so it's easy to carry.

Splash proof

Whether you're partying with friends in the park or by the seaside, the JBL PartyBox Club 120 is IPX4 splashproof, means a little rain won't stop the fun.

AI Sound Boost

Get the most out of your speaker. AI Sound Boost analyzes the incoming signal in real time while simultaneously using an AI algorithm to predict loudspeaker movement and power response. It pushes the driver to its maximum capability, fully exploiting the dynamic range for better and more powerful sound. It also reduces distortion even at high volume, maximizing the bass output and overall loudness.

Multi-speaker connection by Auracast™

Want even more roaring Original JBL Pro Sound? Stereo pair two speakers for a wider sound stage. For your biggest events, multiple JBL Auracast-enabled PartyBoxes can be connected wirelessly using Auracast™.

Dual Mic & Guitar Inputs

Bring live talent into the mix. It's easy to sing and play along using the guitar and dual mic inputs. With karaoke EQ tuning and the built-in lightshow, everybody's gonna sound—and look—like a superstar.

JBL PartyBox app

The JBL PartyBox app makes it easier than ever to add interactive party effects, control your music, adjust EQ settings, and customize the colors and patterns of your light show for the perfect party vibe.

Made in part with recycled materials

The JBL PartyBox Club 120 incorporates post-consumer recycled plastic. It's also packaged in FSC-certified paper printed with soy ink.
