Surface Thunderbolt™ 4 Dock

What You Need to Know About Pitching the Surface Laptop Go 2:

12.4" PixelSense touchscreen

Surface signature 3:2 ratio gives the most vertical screen real estate on a laptop for getting it all done.

The lightest Surface Laptop

Easy to take everywhere at just 2.48 pounds. Type in comfort on the full-size keyboard with large, precision trackpad, allowing users to navigate, scroll, and select with ease.

Must-have connections and security

Convenient security thanks to Fingerprint Power Button with Windows Hello and One Touch sign-in on select models. Plug in accessories with built in USB-C and USB-A ports, Surface Connect, and headphone jack.

Power through the day

Run day-to-day apps and keep up on social media with a faster 11th Gen Intel® Core™ i5 processor. Power through a day of work, play, shopping, or streaming with up to 13.5 hours of battery life.

Key Positioning Tips:

- **General Studies:** The Surface Laptop Go 2 is perfect for completing daily tasks for students that require all-day battery life and portability.
- **Parents:** The Surface Laptop Go 2 is durable and when students purchase Surface products at our bookstore, we offer the Advance Exchange Program—so if there's a problem with the computer, Microsoft will send them a replacement before they send in the broken item to get fixed, so they're not without a computer.

Key Features of the Laptop Go 2:

- Interact effortlessly on the 12.4" Pixelsense™ touchscreen.
- Do the things you love with faster, 11th Gen Intel® Core™ i5 processor.
- Capture your reality with improved HD camera and built-in Studio Mics.
- Get more done on full-size keyboard with fast, fluid key travel.

Common Objections and How to Handle Them:

"The battery life of the Laptop Go 2 isn't great."

The Laptop Go 2 works up to 13 hours with normal use. If that's not enough for you, the Laptop Go 2 also has Fast Charging, so users can spend less time charging devices and more time in class or using on the go.

"The Laptop Go 2 isn't powerful enough."

The Laptop Go 2 is a blend between the Surface Laptop and the Surface Go. It has an 11th Gen Intel® Core™ i5 processor, which is powerful enough to handle all the projects that most students would need to do. In addition to being able to run programs in the Microsoft Suite, students can play games and stream movies on this device.
